

ROYAL COMPASS TRAVELS

Month 1 Digital Marketing Plan

Website search • Instagram • Meta Ads • Lead system

royalcompasstravels.com

OBJECTIVE

What Month 1 is for

Build stronger online visibility and establish an initial lead-generation system.

Visibility

A clearer, better-structured website and a consistent Instagram presence.

Enquiries

A tested ad setup and a simple system that sends every website enquiry to your team.

Helping customers find and understand you

SEO

Search engines

- Page titles & descriptions
- Clear headings and structure
- Relevant travel keywords
- Google Search Console setup

GEO

AI-based search tools

- Clear business information
- Services & destinations explained
- Consistent details across pages
- Structured, easy-to-read content

AEO

Customer questions

- Common traveller questions
- Short, direct answers
- Helpful FAQ sections
- Better informational pages

A consistent, travel-focused presence

1

post every day

30

posts per month

10

FAQs

Trust-building

How it supports the plan

- Builds trust when people check your profile after seeing an ad
- Shows which topics your audience responds to
- Gives us material to reuse in ads

A focused test on Facebook & Instagram

5

creatives developed

Different images,
messages and angles

Test

all five

Early spend spread evenly

Best 3

keep running

Weaker ads paused based
on results

Optimise

through the month

Audience and budget
refined

₹10,000

ad budget, paid by you directly to Meta

Focus on relevant enquiries

We judge ads by the quality and cost of enquiries — not likes or cheap clicks. Month 1 is a testing budget to learn what works for your audience before any decision to spend more.

Every website enquiry, straight to your team

Visitor

Finds you via search,

Issues affecting experience
or enquiries

Client-controlled

You own the admin login
and leads

Four weeks, step by step

To keep this on schedule, we'll need from you: account access, package and destination details, photos/videos, and timely approvals.

Clear numbers, reported at month-end

Website

- ✓ Search impressions
- ✓ Clicks from Google
- ✓ Search queries
- ✓ Top-performing pages

Instagram

- ✓ Reach
- ✓ Engagement
- ✓ Profile visits
- ✓ Content performance

Meta Ads

- ✓ Spend
- ✓ Impressions & reach
- ✓ CTR & CPC
- ✓ **Leads & cost per lead**

What matters most: relevant enquiries and what each one costs. Reach and impressions are shown for context.

INVESTMENT

Month 1

OUR SERVICE FEE

₹20,000

SEO, GEO & AEO · Instagram · Ad
creatives & management · Website
fixes & lead system · Reporting

+

META ADS BUDGET

₹10,000

Paid by you directly to Meta from
your own ad account. Not included
in our fee.

TOTAL INITIAL OUTLAY

₹30,000

₹20,000 to us + ₹10,000 to Meta

Please note: the ₹10,000 ad spend is not included in the ₹20,000 service fee. Meta may apply taxes on ad spend as per its billing terms.

MONTH 1 GOAL

A solid foundation, and real data to decide the next step

01

Set up

the foundation

02

Test

audience & creatives

03

Generate

initial enquiries

04

Decide

whether continuing or scaling
makes sense

Digital marketing results depend on audience, offer, creative, competition, budget and customer response. Specific rankings, traffic, leads or sales are not guaranteed.
